**STIPULATION TO THE CONDITIONAL CERTIFICATION OF
THE COLLECTIVE ACTION AND THE DISTRIBUTION OF
COURT-SUPERVISED NOTICE PURSUANT TO 29 U.S.C. § 216(b)**

RECITALS

WHEREAS, on October 7, 2015, Plaintiffs Jon J. Marte and Melissa R. Ward (collectively “Plaintiffs”), individually and on behalf of all others similarly situated, filed a putative collective action complaint against Defendant General Dynamics Information Technology, Inc. (“Defendant” or “GDIT”), alleging, among other things, that Defendant failed to pay overtime wages for all hours over forty (40) hours per workweek to Plaintiffs and other allegedly similarly-situated employees as required by law under the Fair Labor Standards Act, 29 U.S.C. §§ 201, *et. seq.* (“FLSA”) (Dkt. 1, ¶ 2.);

WHEREAS, the parties, having met and conferred, determined that avoiding a protracted dispute over the scope of the collective action and the distribution of Court-supervised notice under 29 U.S.C. §216(b) would benefit each party and would further the interests of conserving

the parties' and judicial resources and maximizing the efficiency of the prosecution of the Action; and

WHEREAS, the parties have reached this stipulation relating to the distribution of Court-supervised notice pursuant to 29 U.S.C. § 216(b).

STIPULATION

IT IS HEREBY STIPULATED AND AGREED, by and between undersigned counsel, subject to the approval of this Court, that:

1. The parties consent to entry of an order conditionally certifying a collective action and authorizing the distribution of Court-supervised notice under 29 U.S.C. §216(b) and incorporating the definitions, procedures and deadlines set forth below:
 - a. The conditionally certified collective action shall consist of and notice shall be distributed to all individuals employed by GDIT in the United States pursuant to a requisition for the Information Technology Operations and Maintenance (“ITOM”) contract listing the individual’s Position Title as Sr. Engineer Systems and Posting Title as Systems Engineer (Deployment), at any time since February 3, 2013 with Defendant reserving all rights to assert that the claims of any opt-in Plaintiffs who separated from GDIT more than two years before their opt-in date are barred and also reserving all other rights and arguments as to decertification and the merits;
 - b. To enable the dissemination of notice of this Action, Defendant will create a list of individuals authorized to receive notice pursuant to Paragraph 1.a.,

which will contain their name and current or last known address (the “Notice List”);

- c. Defendant will provide the Notice List to Plaintiffs’ counsel no later than [5] business days after the entry of the Notice Order;
- d. No later than [10] business days after entry of the Notice Order, Plaintiffs’ counsel will begin the “Notice Program” – the process of disseminating copies of the Notice of this Action (“Notice”) along with a Consent Form (a proposed version of both are attached hereto as Exhibit 1) to all persons listed on the Notice List by first class mail.
- e. The deadline for an individual mailed Notice to return (postmarking) the completed Consent Forms will be thirty (30) days following the commencement of the Notice Program.
- f. Plaintiffs will bear the cost of the Notice Program.
- g. Individuals who fail to time return a Consent Form may not participate in this action absent an agreement of the parties.

2. Plaintiffs’ counsel shall not use or disclose the Notice List, or any information on the Notice List, for any purpose other than to administer the Notice Program as set forth in this Stipulation, and Plaintiffs’ counsel shall not use or disclose the Notice List, or any information on the Notice List to solicit individuals for other lawsuits or causes of actions against GDIT. For the avoidance of doubt, as one example, Plaintiffs’ counsel may not use the Notice List to send follow-up communications to individuals on the Notice List unless an individual on the Notice List initiates contact with Plaintiffs’ counsel, in which case Plaintiffs’ counsel may direct communications to them.

3. This Stipulation or Order is without prejudice to all arguments, claims, and defenses of the parties, including but not limited to the applicable statute of limitations, whether this case or any other case may proceed as a collective action under 29 U.S.C. § 216(b), or whether this case or any other case may proceed as a class action under Rule 23 of the Federal Rules of Civil Procedure, and whether any class or collective action may be certified or decertified in this action or any other action.

This Notice is being sent to you by Order and under supervision by the United States District Court for the Eastern District of Virginia. The purpose of this Notice is: (1) to inform you of the existence of a collective action lawsuit filed against GDIT; (2) to advise you of how your rights may be affected by this lawsuit; and (3) to instruct you on the procedure for joining this lawsuit, if you wish to do so. You have been sent this notice because GDIT’s employment records indicate that you are eligible to participate in the collective action. **However, you are not required to join this lawsuit or take any other action in response to this Notice if you do not wish to participate.**

II. DESCRIPTION OF THE LAWSUIT

On October 7, 2015, Jon Marte and Melissa Ward (“Named Plaintiffs”) brought this lawsuit against GDIT on assert claims on behalf of themselves and allegedly on behalf of all other past and present employees GDIT employees in the United States who were employed by GDIT pursuant to a requisition for the Information Technology Operations and Maintenance (“ITOM”) contract listing the individual’s Position Title as Sr. Engineer Systems and Posting Title as Systems Engineer (Deployment) and who worked for GDIT on the ITOM contract at any time from February 3, 2013 through the present (“Proposed Collective”). The lawsuit was filed in the United States District Court for the Eastern District of Virginia.

The Named Plaintiffs allege that GDIT violated the overtime provisions of the Fair Labor Standards Act (“FLSA”) by failing to pay them at least one and one half times their regular rate for hours worked beyond 40 per workweek. The Named Plaintiffs have sued GDIT to recover all unpaid overtime compensation, liquidated damages, reasonable attorney’s fees, and litigation costs, on behalf of themselves and all allegedly similarly situated Sr. Engineers, Systems

GDIT denies that it has done anything wrong and opposes Named Plaintiffs' lawsuit. GDIT maintains that its Sr. Engineers, Systems were properly compensated at all times. GDIT claims that it complied in full with all applicable laws and denies any wrongdoing and/or liability to the Named Plaintiffs, the Proposed Collective, or any other past or present employee. GDIT further maintains that all past and present Sr. Engineers, Systems are properly classified as exempt under federal and state overtime laws. Moreover, GDIT asserts that even if one or more of them were not exempt, they were paid appropriate compensation for hours worked over 40 under the governing law.

The rights of the Named Plaintiffs or any member of the Proposed Collective have not been established and are not guaranteed or certain.

III. YOUR OPTIONS

If you do not want to join the lawsuit, do nothing. Do not complete and return the enclosed Consent Form.
